G#m  E  F#  
These mist covered mountains  
B   E   B  
Are a home now for me  
G#m  D#m  
But my home is the lowlands  
E  F#  
And always will be  
G#m  D#m  
Some day you'll return to  
E  C#m  F#  
Your valleys and your farms  
B  
And you'll no longer burn  
E  F#  
To be brothers in arms

SOLO  (G#m E C#m)

G#m  D  F#  
Though these fields of destruction  
B   E   B  
Baptism of fire  
G#m  D#m  
I've witnessed your suffering  
E  F#  
As the battle raged higher  
G#m  D#m  
And though they did hurt me so bad
E C#m F#
In the fear and alarm

B
You did not desert me

E F#
My brothers in arms

SOLO (G#m E C#m)
G#m F# G#m B F#
There’s so many different worlds

B E F#
So many different suns

G#m B F#
And we home just one world

B E
But we live in different ones

SOLO (G#m E F#m)
G#m E F#
Now the sun’s gone to hell

B E B
And the moon’s riding high

G#m D#m
Let me bid you farewell

E C#m F#
Every man has to die

G#m D#m
But it’s written in the starlight

E F#
And every line on your palm

B
We’re fools to make war

E F#
On our brothers in arms
