PATIENCE (by Guns n Roses)
=====

Intro:

C G A D C G A D
C G C Em C G D D

C

Shed a tear cause I'm missing you

G

I'm still allright to smile

A D

Girl I think about you every day now

C

Was a time when I wasn't sure

G

But you set my mind at ease

A D

There is no doubt, you're in my heart now

C G

Sad woman take it slow

C

Em

It will work itself out fine

C G D

All we need is just a little patience

C G

Sad sugar make it slow and

C

Em

It comes together fine

C G D

All we need is just a little patience

Sit here on the stairs
Cause I'd rather be alone
If I can't have you right now
I'll wait dear

Sometimes I get so candescent
But I can't speed up the time
You know love, there's one more thing
To consider

Sad woman take it slow
And things will be just fine
You and I just use a little patience

Sad sugar take the time
Cause the lights are shining bright
You and I got what it takes to make it

D
We don't fake it
D

Ahh and never break it
D
Cause I can't take it

Solo

G C
A little patience
G C
Mhh Yeah

G
I've been walking the streets tonight
C
Just trying to get it right
G
It's hard to see with so many around
C
you know I don't like being stuck in a crowd
G
And the streets don't change but maybe the name
C
I ain't got time for the game
G
Cause I need you
C
Yeah Yeah cause I need you
G
Uh I need you
D
Woh I need you
G C G
Uhh this time

Well, the lyrics are from a friend, who tried to figure them out. I don't guarantee they're absolute correct, but I guess they can give you a very good idea of the song. (Any corrections?) Thus I could post a corrected version.

Did anyone figure out the Intro and Solo ?
Your posting would be appreciated!

Have fun playing it!!!!!!

Alex (almost a real Schubert :)

--

When the doors of perception are cleansed, man will see how things truly are...
