**Cm**  
 I'm holding on your rope,  
**Ab Eb Bb**  
 Got me ten feet off the ground  
**Cm Ab Eb Bb**  
 I'm hearin what you say but I just can't make a sound  
**Cm**  
 You tell me that you need me  
**Ab Eb Bb**  
 Then you go and cut me down, but wait  
**Cm**  
 You tell me that you're sorry  
**Ab Eb Bb**  
 Didn't think I'd turn around, and say...  
**Cm Ab Eb Bb**  
 It's too late to apologize, it's too late  
**Cm Ab Eb Bb**  
 I said it's too late to apologize, it's too late

**Cm Ab**  
 I'd take another chance, take a fall  
**Eb Bb**  
 Take a shot for you  
**Cm Ab**  
 And I need you like a heart needs a beat  
**Eb Bb**  
 But it's nothin new  
**Cm Ab**  
 I loved you with a fire red-  
**Eb Bb**  
 Now it's turning blue, and you say...  
**Cm Ab Eb**  
 "Sorry" like the angel heaven let me think was you  
**Bb**  
 But I'm afraid...  
**Cm Ab Eb Bb**  
 It's too late to apologize, it's too late  
**Cm Ab Eb Bb**  
 I said it's too late to apologize, it's too late

Bridge
